FROM THE DIRECTORS CHAIR

Thank you for joining us for our Spring Musical, Cinderella. As a child, the Disney animated version of Cinderella was the first movie I ever saw in a movie theatre. At the end of the movie I kept singing Bibbidi, Bobbidi, Boo as my Dad and I were walking to the car in the parking lot. The story of Cinderella captured my heart from such a young age, and I am excited to bring this story to life on the stage at Centreville High School.

While rehearsing this production, I was reminded of the magic that theatre can create and why we tell stories on stage. It is my hope that you enjoy the magic of our production and walk to your own car humming a tune.

As always, we appreciate your support! Now sit back, relax, and enjoy our magical and enchanting version of Cinderella!

Thank you,

Patrick
